Keep your holiday shopping stress free with Conair

It's easy to find an affordable gift for everyone and even get something to keep for yourself ñ because now Conair value-priced products go way beyond hair care!

Stamford, CT September 24, 1999 – Our new personal products pamper you and your loved ones – without being pricey – during the stressful holiday season or any other time of the year.

The panic of the holidays is easy to survive with a gift assortment that takes care of not just hair, but body and soul as well. Gifts for travelers or stay-at-homes, for someone who needs to relax, or for that special someone – we've got something for everyone!

Travelers won't be able to resist our Travel Sound Therapy ultra relaxation system (model SU5). When you're homesick in a strange hotel, just plug it in (or use the batteries) and relax to one of 10 soothing sounds of nature. You can choose songbirds, ocean waves, a running stream, rainfall, and other sounds, or you can combine your two favorites. This compact portable system also includes a digital alarm clock – you can wake up to a buzzer, a radio or a natural sound – and a memo feature so you can record your own wakeup call, or anything else you need to remember.

Our Professional Shoe Polisher (model SHP20) is another perfect gift option – for the busy professional or anyone who needs to look great in a hurry. This unit has a powerful AC motor and rotating buffers that can revive your shoe shine in seconds! These specially designed buffers can polish the front, back and sides of any shoe, and they're safe on the finest men's and women's shoes. This polisher is easy to operate, too. Just the press of a thumb and you're in business. The handle adjusts to your height, so you can even stand and shine on your way out the door.

Most anybody on your gift list wants to relax at the end of a long day. And what better way to do it than with a spa product by Conair. The Paraffin Spa (model PB10) is a warm paraffin treatment for soothing chapped hands, feet and elbows. This treatment kit includes a wax heating tub, 60 plastic liners, cozy cotton mitts and booties, and an ample supply of European wax. This special wax contains moisturizing Aloe Vera to help relieve dryness and soothe your skin to smoothness!

If you prefer to relax in an inviting scented atmosphere, the Aromatherapy Relaxation System by Conair (model AU1) is the gift for you. This mini metallic lamp illuminates any setting with warm, glare-free lighting, and offers one of six soothing scents including citronella, eucalyptus, lavender, pine, citrus, or vanilla. It's a great gift item also designed to use outdoors on the patio or at poolside – just add the citronella beads to ward off insects. Try it with eucalyptus, too, to soothe your sinuses. Each scent suggests a special sensation. You can create your own escape or a unique atmosphere for a holiday party. This system includes a 15 watt bulb to generate heat, 6 scented bead selections, and a bead holder with removable top. The lamp comes with an elegant chrome finish.

If you're just too busy to stop and look for relaxation, Conair has designed the Serenity Pond – all you have to do is listen. You don't even have to stop moving to relieve everyday stress. Just listen to the tranquil sound of running water as it bubbles over natural polished stones. This unit also includes a foundation mountain, synthetic plant and rock base, plastic pond base, submersible pump and 6 foot power cord. It can be rearranged to suit your mood, and it's easily transportable for use at home or in the office.
