## **A**waken your Holiday Spirit with Body Benefits® by Conair

*Indulge your senses, and pamper your loved ones, too, with gifts from the spa-inspired Body Benefits® line by Conair.*

Stamford, CT August 30, 2000 – Our Body Benefits® personal products pamper you and your loved ones from head to toe – and you don't have to go to a spa! Relax and revive your spirits, even in the midst of the holiday season, right in the privacy and comfort of your own home. Especially enjoy giving gifts this year – the gifts of rejuvenation and relaxation – there's a Body Benefits® gift for everyone on your list.

Have you shopped 'til you dropped and your tootsies are killing you? Or maybe you just stand on your feet all day at work? The Ultra Massaging Foot Spa (Model FB12) relieves fatigued feet in the best way possible, with several hydrotherapy settings to choose from, including combinations of heat, bubbles, vibration and water jet. It also comes with two spinning rollers for a deep kneading massage, loofah for removing unwanted rough areas, and three removable spinning attachments. It can even be used without water for a dry massage. Suggested Retail Price is 49.99 to 59.99.

Maybe it's not "Oh, my aching feet" but "Oh, my aching body"! You need the ultimate in stress relief – the Powerful Dual Jet Bath Spa (Model BTS2). Two independent adjustable output nozzles pump out twice the soothing bubbling massage action, in all directions, to relieve tired overworked muscles anywhere you have them. To relax all your senses, add the optional mood light. This compact portable unit easily attaches to the side of any standard tub with three suction cups, and adjusts to any water height, so if you're traveling over the holidays, take it with you! Suggested Retail Price is 59.99 to 69.99

If you're flat-out exhausted and just want to soak in the tub, the highly innovative Bath Mat Massager (Model MBTS3) is the spa accessory for you. This massager runs the length of your tub, providing aeration throughout for a totally soothing sensation. It features a soft comfortable surface and variable aeration control for complete relaxation, and even folds for easy storage. Or if you really feel like you'll never move again, try the MBTS4 version which includes a remote control feature for effortlessly changing massage settings. Suggested Retail Price is 89.99 to 99.99.

Maybe it's your hands that need TLC for the holidays – they've been roughed up from baking, cleaning, shopping and preparing. Top off a busy day with a soothing professional style manicure, using the Conair, Paraffin and Manicure Spa (Model PB5). The warm paraffin bath turns chapped hands and elbows silky smooth. This kit includes a paraffin heating tub, 20 plastic liners, cozy cotton mitts and 1.75 pounds of wax containing healing aloe vera. The top of the unit is a professional polishing platform for applying nail polish, and below there's a nail dryer to finish your manicure perfectly. Pamper yourself and enjoy soft beautiful hands too! Suggested Retail Price is 49.00.

Soak up affordably sensuous luxury, and, at the same time, solve all your gift giving dilemmas, with rejuvenating spa products from the Body Benefits® line. For hair care, it has always been Conair. Now for rest, relaxation and the perfect gifts for everyone on your list, it's Body Benefits® by Conair.
